

North America Non Stop Airlift Information from (the United States & Canada) Summer Airlift 2020

TRAVELING FROM NORTH AMERICA

There are no direct flights from North America to the British Virgin Islands (BVI). However, getting to the BVI is now much easier with the new codeshare and interline agreements between Seaborne Airlines, Cape Air and the major carriers - American Airlines, Delta, Jet Blue, and United. Passengers can now book directly to Beef Island Tortola (airport code **EIS**) on these carriers' website.

Airlines with connecting flights through San Juan, PR (SJU) are Air Sunshine, Cape Air, and Seaborne. Airlines with connecting flights through St. Thomas, VI (STT) are Air Sunshine and Cape Air. Airlines with connecting flights through St. Maarten, NA (SXM) are LIAT Airlines, Air Sunshine, Winair and BVI Airways.
