TERRITORY'S BORDERS
STEERCO PUBLIC BRIEFING #3 - November 16**

[FAQs](#)

Today's update is focused on frequently asked questions received since our public briefing on November 13th.

- **Where do I quarantine for days 1-4?**
You quarantine at the place you have booked for your accommodations, as long as that place is Gold Seal COVID19 Certified. Or, you quarantine at home.
- **Who pays for accommodation from days 1-4?**
You, the visitor, pay for your accommodation during this period.
- **How are quarantine days counted? When does Day 1 of quarantine begin?**
Visitors arrive on Day 0 and quarantine for four full days—Days 1 through 4. The visitor tests on the morning of the fourth day of quarantine. You are free to move around with a negative result on your Day 4 test from the fifth day onwards.
- **Can I quarantine in my home? How do I arrange this?**
Your private home quarantine may be arranged through the Ministry of Health, however your home must be pre-certified.
- **Does the 4 day quarantine requirement apply to BVI islanders/Residents?**
Yes, everyone who enters the BVI must undergo quarantine for 4 days. BVI islanders and residents have had to quarantine for up to 14 days at this point. Therefore the quarantine period is now 4 days.
- **How can I schedule a pre-departure test?**
You may do that when you're given your Day 4 testing appointment by the Ministry Of Health.

There will be more detailed information that will follow on the quarantine process.

Please do stay tuned for our next update! BVI Love awaits you!
